INT. BASEMENT - DAY

The door is barricaded. It is damp. There is a barred window just above ground level in the rear of the room. Two BROTHERS, one late teens and the other mid 20’s, are alone in the room. SCOTT, the older brother, paces around the room. JAKE, the younger brother, sits on a barrel holding a pistol.

JAKE
Seems ironic now. You know.

SCOTT
(still pacing)
What does?

JAKE
Halloween.

Scott’s gloomy look almost turns in to a smile.

SCOTT
Well. I’ll be honest. If I knew this is how it would turn out, a lot of things seem pointless and ironic.

JAKE
Math.

SCOTT
Wall street.

JAKE
Hell, streets in general.

SCOTT
Catholic church.

JAKE
Good one.

Interrupting the thought process of the two is a loud THUD coming from the other side of the door. The sound doesn’t stop. It increases.

JAKE
How long do you think we have?

SCOTT
Who cares. There is nobody out there. Everybody is dead. The is no safe zone. No refugee center.
(beat)
(MORE)

SCOTT(cont'd)
Even if we hold them off for the long term. Help isn’t coming.

Scott now sits on the floor and looks at the window.

TITLE: 2 DAYS EARLIER

EXT. WOODS - NIGHT

There is a party of 4 around a CAMPFIRE. Jake, Scott, TONY, and ANGELA, Jake’s girl friend, are all shell shocked and just staring into the fire.

TONY
This is unreal man. Where did this shit come from. What did any of those people do to deserve that.

The silence stays for about a minute.

SCOTT
None of that matters now. How do we pull out of this.

JAKE
We need a weapons count.

TONY
A weapons count. Who the hell are you.....GI Joe.
(then)
We have one pistol, one bat, and that damn stick of wood you have.

SCOTT
It is what it is. This is where we start.

Angela sits motionless, speechless. Jake walks over and sits by her.

JAKE
How are you holding up?

ANGELA
I....guess...as well as I could be.

BEGIN FLASHBACK:

INT. ANGELAS KITCHEN - DAY

Angela is confronted by ANGELA”S BROTHER who is now a zombie. She SCREAMS. Jake enters from another room.

JAKE
What’s going on? Oh shit-

Angela’s brother launches toward Angela. Jake pushes her out of the way. Her brother then turns to Jake. As the zombie approaches Jake who is cornered it suddenly stops. The zombie falls to the ground with a large knife stuck out of the back of his head.

Angela is paralyzed with shock. Jake rushes to her.

JAKE
You alright?

Angela begins to sob.

JAKE
We have to get out of here. Scott is waiting for us.

The two gather items of use.

END FLASHBACK.

EXT. WOODS - NIGHT

Scott is standing with one leg on a log, looking toward the dark abyss. It is real late.

SCOTT
I’ll take first watch. We will alternate between the guys.

TONY
I’ll take second watch.

SCOTT
Alright, Jake you are last.

Jake is in his own world.

SCOTT
(cont’d)
Jake!?

JAKE
Yeah I got it. No problem.

Scott looks on. Just as soon as the group gets settled they hear brush CRACKLING in woods. This alarms everybody. There is MOVEMENT in the woods. A FIGURE behind the trees.

SCOTT
(To Jake)
See anything?

JAKE
No. Nothing.

Tony is up and looking in the opposite way. Angela is sitting right next to the fire.

JAKE
(Cont'd)
There. Right there.

Scott fires off two rounds at the figure. The figure stops. Takes cover.

TONY
Did that thing just get behind the tree.

JAKE
Don't shoot. Zombies don't take cover.

Scott still has the pistol pointed towards the woods.

SCOTT
(unsure of himself)
Hey. Come out.....We will not shoot you.

JAKE
We are in this together man. Come on.

A heavy set man, ETHAN, steps out from behind the tree. Walks toward the group with his hands up.

TONY
Put your damn hands down man, we ain't the PO-lice.

JAKE
Wait.

Tony and Scott look at Jake to get a sense of what is wrong.

JAKE
Are you armed?

ETHAN
Uh..NO...I have nothing.

SCOTT
Are you alone?

ETHAN
Yeah, since yesterday morning.

SCOTT
(To Jake)
Check him.

Jake walks up to Ethan to pat him down and to check his bag.

ANGELA
What are you guys doing, what has he done wrong?

JAKE
It is just us out here now Angela. No Cops, no 9-1-1.

SCOTT
Everyman for himself.

Jake comes up empty. Scott lowers the gun.

TONY
Where are you headed?

ETHAN
To the train depot.

SCOTT
Why? Why go there?

ETHAN
They said that is where the safe zone is.

JAKE
They?

ETHAN
On the radio. There is a loop. Like a Public address system. Says go there.

SCOTT
How far is it from here?

ETHAN
Just a couple of miles I think. It is just past downtown.

JAKE
Does that radio still work?

ETHAN
As far as I know.

Ethan hands the radio over to Scott. He CLICKS it on. Just HISS. He runs through the stations. STATIC. He shuts it off.

SCOTT
Alright, Well let’s call it a night. We will head for the Depot in the morning. I’m still first watch. Try and get some rest.

INT. BASEMENT

The constant BANGING on the door is loud. Scott and Jake sit on the floor. Jake is spinning the pistol on the floor.

JAKE
What is the end game here. You have any ideas?

Scott says nothing. Just glances out the barred window. Jake jumps up and checks out the supplies closet for what seems like the tenth time.

JAKE
Want to play a game?

SCOTT
What?

JAKE
A game. I am not going to spend the last few hours sitting here deciding which one of us is going to shoot the other.
(beat)
Or worrying about what’s on the other side of that door. I am not going out like that.

SCOTT
What do you have in mind?

JAKE
(searching through the closet)
Let’s see.

Finally the door begins to crack. Jake and Scott look at one another. A small hole is made. The BANGING continues.

SERIES OF SHOTS - GROUP HEADING TOWARD THE DEPOT

A) The sun is up, camp fire has burned out

B) The group heading through the woods

C) Crossing a highway, cars abandoned

D) Walking into a desolate town.

EXT. GAS STATION PARKING LOT - DAY

The group comes to a gas station, needing supplies. Tries to gauge situation.

SCOTT
Looks empty.

ANGELA
The whole town looks empty.

A distant SOUND is heard. Startles the group.

JAKE
Well something is out here, let’s move quickly.

TONY
Let’s go. I don’t like being out here in the open.

SCOTT
Alright. Jake, you and Ethan go in and see if there is anything left in there. We will take what ever we can use.

ANGELA
I am going too, I need to use the restroom.

Tony looks at her funny.

ANGELA
What, the Zombie horde cut off the water supply?

SCOTT
That is actually a good idea, we need to get whatever we can to hold water and gather as much as we can.

JAKE
Scott.

SCOTT
Yeah?

JAKE
I need the gun.

SCOTT
(reluctantly)
Ok.....but use it wisely, we don’t have a lot of bullets.

Scott hands over the gun. Angela, Jake and Ethan head inside the gas station.

INT. GAS STATION

The store is not real picked over. Most of the shelves are full. It seems almost untouched by the recent events. The Electricity seems to work.

ANGELA
I am going to head to the ladies room.

JAKE
You need an escort?

ETHAN
This place is full. How did this place not get ransacked?

JAKE
I don’t know, but let’s not dwell on it. We need to keep moving.

Jake starts to throw things in the backpack.

INT. GAS STATION - RESTROOM

Angela walks quietly and slowly. The restroom light flickers on and off. She checks the water. It’s on. She bends down and checks the stalls. Empty. She picks one and enters.

EXT. GAS STATION PARKING LOT

Tony and Scott are scooping out the adjacent lots.

TONY
Hey, Ethan is waving us in.

SCOTT
Alright, well head in and I’ll keep watch out here by myself. Don’t want to get caught napping.

TONY
No, that would be bad.

Tony starts toward the door. Three SHOTS are heard from inside the gas station. Tony and Scott look at each other and start running toward the door.

TONY
(while running)
What the hell was that.

SCOTT
Bad news.

INT. GAS STATION

Jake is standing between the aisle seemingly frozen. Ethan is on floor bleeding. A SHOPKEEPER lies in front of the counter shot. Dead. Scott and Tony come running in, almost tripping over the two bodies on the floor.

SCOTT
What the hell happened?

Tony checks behind the counter. Jake doesn’t answer.

SCOTT (CONT’D)
JAKE!

Jake looks at Scott.

JAKE
It....all.....went to fast.

Tony checks the Shopkeeper.

TONY
This dude was no zombie.

SCOTT
What happened?

Scott walks over to Jake, who then hands him the gun.

JAKE
We were just gathering supplies. I tell him to get you guys to help carry the water.
(beat)
Next thing you know, I hear this thump, and Ethan is on the ground. And that old man is standing over him.

TONY
He must own the place. Selfish bastard. Sitting on all this stuff.

SCOTT
(to Jake)
You alright?

JAKE
Yeah. I’m alright.

There is NOISE coming from outside. Scott checks the clip in the gun.

SCOTT
Tony, gather up the stuff. Clock is ticking.

There is a very loud SHRILL that comes form the back of the gas station..

JAKE
Angela.

The three run to the restroom.

INT. GAS STATION - RESTROOM

Jake enters first. He stops dead in his tracks. Scott and Tony bump into each other from the sudden stop. Angela is being eaten by a Zombie in the stall.

JAKE
Give me the gun.

SCOTT
She is already gone man, we need the bullets.

The Zombie is unfazed by the newcomers.

JAKE
Fuck you, give it to me.

SCOTT
I can’t. Sorry.

Scott aims the gun at Angela, and shoots her in the head. The Zombie turns around, but returns to feeding. Jake turns and hits the wall in anger.

TONY
One thing I know, those bitches don’t travel alone.

SCOTT
We have to go. Gather what you can. They will be here soon.

EXT. TRAIN DEPOT - OUTSKIRTS

Tony, Scott and Jake approach the Train Depot. It seems barren. Like everyone has left or there was no refugee center to begin with. They stop at the fence.

SCOTT
Turn on the radio.

Tony fumbles through the bag. Finally produces the radio.

TONY
Here goes nothing.

He clicks it on. Nothing. Static.

JAKE
Shit. What are we going to do. There is nobody here. We are FUCKED.

SCOTT
Calm down. We have been alone since the beginning. We have managed so far.

Jake sits on a stump. They seem defeated. Finally a transmission comes on the radio but nor clearly. It is the faint voice of a woman.

RADIO WOMAN (O.S.)
Day....one......all....head...train ....depot...ugee....cen...help...he re...

Scott takes the radio from Tony and holds it up over his head.

RADIO WOMAN (O.S.)
Authorities say ..... This is day one. All able should head to the Train Depot where a refugee center. There is help there.

JAKE
Day one, That didn’t take very long. Everything here is cleaned out.

SCOTT
Is this the right place?

JAKE
Can’t be.

The three walk over to the fence, look into the station. It seems deserted, as if no one was ever really there. Behind them, the zombie population is growing.

TONY
Man, screw a bunch of this. If I am going to die, I am going to do at my house.

SCOTT
What? We can’t give up. We have to stick together. Stick it out.

TONY
No offense to you guys, but I thought I would go out differently than this. I’m making a run for it.

SCOTT
For what? What if we are the only ones left.

JAKE
Well, if we were he only ones left than we will have problems going forward.....If you know what I mean.

TONY
I’m cashing out guys. Besides, maybe my family is there.

A few zombies are getting closer.

JAKE
Well, we sure as shit can’t stay here. We have to move.

Scott shakes Tony’s hand.

SCOTT
(to Tony)
Take care man. Be safe.

JAKE
We need to move. Now.

Jake crawls under the fence. Scott follows. Tony starts jogging away from them in the opposite direction.

INT. BASEMENT

Through the crack in the door, hands are pulling and scratching to get in. Jake and Scott sit side by side on the floor against the wall. Scott holds the gun.

SCOTT
I’d think mom would be proud.
(beat)
Us getting along like this.

JAKE
(laughing it off)
I sure hope so.

A CRACK draws the brothers attention to the door. Now whole arms can get reach through the hole. Jake and Scott both Jump up.

JAKE
Shit. This is where is goes.

They both pace around almost franticly.

JAKE (CONT'D)
No matter how much we have talked about this. I just can't believe this is the way it ends.

SCOTT
Take the gun. Don't give up until the last minute. Promise me that.

JAKE
(caught off guard)
What are you going to do?

SCOTT
Make the decision easier.

JAKE
Scott.....I can't do this.

SCOTT
Do what?

JAKE
Shoot myself. When it goes to shit. I can't do it.

SCOTT
Trust me it is better than the alternative.

JAKE
What about.....

SCOTT
About what?

JAKE
Suicide....Going to hell.

SCOTT
Jake, you know I never paid much attention to that stuff.
(MORE)

SCOTT(cont'd)
But I’m pretty sure if there is a Hell we are in it. And if there is a God he’ll understand.

Scott starts walk close to the door. Tries to gaze through the mob.

JAKE
This is backwards. You are much more of a fighter than I am.....Here

Jake throws the gun toward Scott and starts running for the door. Instinct makes Scott catch the gun instead of impeding Jake.

SCOTT
JAKE!

Jake breaks through what’s left of the door. The SOUND of a gun is deafening. Zombies enter the room. Jake falls motionless to the floor, with a bullet wound in the back of the head. The Zombies continue their march toward Scott.

FADE OUT
